**Bacteria skyrockets to 100 times beyond safe levels in some Fort Lauderdale canals after historic flooding**

**Sun Sentinel on MSN.com** | 23 hours ago  
Fort Lauderdale, known as the "Venice of America," had water dirtier than a toilet during last week's historical flooding, and it may take a while to flush out.

**Anger and wrath follows epic flood that hit Fort Lauderdale**

**Sun Sentinel on MSN.com** | 2 days ago  
A Fort Lauderdale commissioner ripped her own city's response to epic flooding, saying: "We need to fix this. This should never happen again. Embarrassing. It was shameful the way this was handled."

**King tides might cause more flooding in Fort Lauderdale. Here's what you need to know**

**Miami Herald on MSN.com** | 3 days ago  
South Florida could soon see more flooding after last week's historic rainfall — but it's not because another big storm is expected to pound the region, according to authorities. More than 2 feet of rain drenched Fort Lauderdale on Wednesday.

**FEMA arrives in Fort Lauderdale to assess damage caused by historic floods**

**7News Miami** | 22 hours ago  
Long days are ahead as people work to cleanup their community after historic floods damaged their homes. The Federal

## Man swims in Fort Lauderdale floodwaters as torrential storm strikes south Florida

A torrential storm brought heavy showers, gusty winds and thunderstorms and prompted the closure of Fort Lauderdale-Hollywood International Airport.
